

Bent Tree Association Swimming Pool

Strongsville, Ohio

2019 CLEANING GUIDELINES

These are general guidelines for cleaning the premises.

Supplies:

Brooms, mops, and buckets are stored in the shed

Cleaning Chemicals are stored in the pump room

All chemicals are task specific as the name of the item implies. The one exception is the general cleaning solution for floors, and toilets and sinks if desired. For this purpose, mix 1/2 cup (4 oz) of sodium hypo chloride (liquid chlorine bleach) to 1 gal of warm water

Pool House

Toilet bowls, toilet seats

- Use the toilet bowl cleaner following package directions
- Apply product to toilet bowl, clean with toilet brush, and flush
- Apply product to seat and underside surfaces, brush and rinse

Sinks, Showers and Exterior of Toilet bowls/tanks

- Use bathroom cleaner following package direction, or use water/chlorine solution.
DO NOT MIX CHEMICALS
- Apply solution, brush or sponge
- Rinse with clean water, or hose down

Glass/Mirrors

- Use window cleaner

Trash cans – Lost and Found Receptacle

- Use water/chlorine solution

Floors

- Sweep loose debris
- Use water/chlorine solution
- Mop with solution
- Rinse with clean water, or hose down

Pool Deck/Pavilion

- Pick up all loose trash, debris, toys
- Empty trash cans per the posted schedule
- Clean trash cans with water/chlorine solution weekly.
