

Bent Tree Association Swimming Pool

Strongsville, Ohio

2019 LIFE GUARD STATIONS

Definition of Stations:

Lifeguard Chair – either of the 2 elevated, post mounted chairs

Roving – On-deck, continuous slow walk around the pool

Re: Ohio Administrative Code 3701-31, minimum number of lifeguard chairs is one (1). Based on Bent Tree Pool surface area of 3528 sq ft.

Number of Lifeguards required: one (1) for 1-50 bathers; two (2) for > 50 bathers.

Under normal operating conditions, the lifeguard(s) on duty shall assume the following stations:

5 or fewer bathers and occupying the shallow end of the pool:

Either

Lifeguard Chair at the shallow end of the pool,

If two (2) lifeguards are on duty, 1 guard may attend to other duties

Greater than 5 bathers or bathers occupying both ends of the pool:

Either:

Both lifeguards in the lifeguard chairs

or;

One (1) lifeguard in the lifeguard chair, and

One guard Roving

When two guards are on duties, stations should be alternated approximately every 15 minutes by roving between stations.

The use of any type of chair positioned on the pool deck is not acceptable.
